
Thanks to the support of Lake Region Electric Cooperative, a special scholarship is available to veterans of the military who enroll in the *Electrical Line Worker Technology* program on the Wadena campus of Minnesota State Community and Technical College. Scholarships in the amount of \$1,500 are awarded annually through the Wadena Area College Foundation.

Please join in our efforts to support veterans enrolled in the Electrical Line Worker Technology program.

Donations can be made to:

Tim Thompson (LREC)
Denise Layman (M-State)

LREC donated a bucket truck to M State Wadena for use in its Electrical Line Worker (ELW) program. Donations from the utility industry are crucial to train students on the types of equipment they'll use when they enter the utility work force after graduation.

I/We wish to support the *Lake Region Electric Cooperative Veteran(s) Line Worker Scholarship* through a donation to *Wadena Area College Foundation*:
